

REMARKS

Applicant thanks the Examiner for his participation in a telephonic interview with the undersigned representative on October 13, 2006. In this interview, the claims of the present patent application and the prior art of record were generally discussed. Particularly, during the interview, Applicant's representative and the Examiner agreed upon amendments to FIG. 10 and to claim 56, and agreed that such amendments would place the application in condition for allowance. Applicant respectfully notes that these amendments were entered into the record through the Examiner's Amendment mailed October 18, 2006. Further, Applicant has enclosed a replacement sheet for FIG. 10, which merely formalizes the drawing amendments made by the Examiner in the Examiner's Amendment. While no fee is believed due for this communication, the Commissioner is authorized to charge any requisite fees to Deposit Account No. 06-1315; Order No. REEL:0045/YOD (03RE021).

Respectfully submitted,

Date: November 17, 2006
